and service. SECTION 4. IC 9-23-3-14 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 14. (a) This section does not authorize a manufacturer or distributor and its franchisees in Indiana to establish a uniform hourly labor reimbursement rate effective for the entire state. (b) It is an unfair practice for a manufacturer or distributor to fail to compensate to a dealer the posted hourly labor rate for the work and services the dealer is required to perform in connection with the dealer's delivery and preparation obligations under any franchise or fail to compensate to a dealer the posted hourly labor rate for labor and other expenses incurred by the dealer under the manufacturer's warranty agreements as long as the posted rate is reasonable. Judgment of the reasonableness includes consideration of charges for similar repairs by comparable repair facilities in the local area as well as mechanic's wages and fringe benefits. (c) A manufacturer or distributor and a majority of its franchisees in Indiana of the same line make may agree in an express written contract citing this section to a uniform warranty reimbursement policy to be used by franchisees for the performance of warranty repairs. The contract must include the reimbursement for parts used in warranty repairs or the use of a uniform time standards manual, or both. The allowance for diagnosis within the uniform time standards manual must be reasonable and adequate for the work and service to be performed. The manufacturer or distributor shall have: (1) only one (1) agreement with each line make; and (2) a reasonable and fair procedure for franchisees to request
